

STAR Online Entry Interface

ONLINE ENTRY INSTRUCTIONS

The following is provided to assist Club Managers & Ag Science Teachers in completing the online portion of their entries for STAR. This form should only be completed by a Club Manager or Ag Science Teacher. Entries from individuals will not be accepted. Before entering any information online, you should have completed entry forms for each exhibitor. An entry is not considered **complete** until the following 3 conditions have been met:

1. Entries have been posted online
2. Signed entry forms are turned in, with appropriate breed registry papers
3. Payment in full is received for all entries

Club Manager / Ag Science Teacher Information

Club ID# / Chapter ID#—Each 4-H Club has a number assigned to it by the AgriLife Extension office. Club Managers should contact STAR for that number via email. Each FFA Chapter is assigned a Chapter Number by the FFA Association. 4-H/FFA should use the assigned number for all entries for their club/chapter.

Club Manager/AST email—Enter your (Club Manager/Ag Science Teacher) email address here. Use the same address for all entries from your club/chapter.

Exhibitor Information

Name/Address/City/Zip—Enter the exhibitors information. Please do not use a club/chapter/school address. This needs to be the exhibitors personal mailing address

Phone—Enter the exhibitors phone number (home/cell). Do not enter the area code, only the last 7 digits separated by a dash “-”. (ex. xxx-xxxx)

Date of Birth—Select the appropriate month, day, and year for the exhibitor’s date of birth.

Age—Select the exhibitor’s age as of February 29, 2012.

4-H Club/FFA Chapter—Select the appropriate club or chapter. If your club or chapter is not listed. Contact STAR to have it added at info@gostar.org

School Campus—Enter the name of the campus the exhibitor attends school. (Example: Navarro Elementary, PSJA Memorial High School)

Grade Level—Select the grade level for this exhibitor.

Entry Information

Market Animals—Select any market animals this exhibitor will be entering in the show. Each exhibitor is limited to only 1 entry in each of the market divisions. Do not check any boxes if the exhibitor will not have any market animals.

Breeding Cattle—Provide the type (Bull/Heifer), the Date of Birth (must be born after Sep 1, 2009) for the entry. Select from the list of breeds. If your breed is not listed, you must select either ABC or AOB based on the your breed. If a single (non-listed) breed meets the requirements to create a new breed, that will be done based on submitted paperwork before check-in. Enter registration number of the breeding animal. Commercial bulls/heifers should enter their Validation Tag# in this section. Exhibitors may enter up to 2 breeding cattle entries.

Breeding Gilts—Select the number of gilts the exhibitor will be entering. Exhibitors are limited to 2 breeding gilts.

Breeding Goats—Provide the Date of Birth of the breeding goat, then select the breed designation (Full or Percentage). Exhibitors may enter up to 2 breeding goats.

Agricultural Mechanics—Select the appropriate division for the entry. Enter a brief description of the project (e.g. Cutting Board, Hay Trailer, Feeder, Lamp Table). List all other team members involved with this project, including their date of birth.

Entry Confirmation & Submission

Additional Passes—Enter any additional vehicle passes needed. Each exhibitor will receive one complimentary vehicle pass.

Total Registration Fee—Add up the total entry fee from the exhibitor's entry form here. The total should include the \$100 raffle ticket amount (Livestock) plus any additional entries, and passes.

Confirmation—Enter the word in the box, then click on Submit Entry. You will receive a confirmation email within 24 hours based on the email address provided at the top of the form.

After completing an entry, and clicking Submit Entry, you will be taken to a "Thank You" screen. To continue, scroll to the top of bottom of your window, and...
